

ZASH COUNTRY BOUTIQUE HOTEL [SICILY]

BY AMANDA JAKUBIK / 08 OCT 2013 @ 2:52 PM

For those of you who enjoy a touch of the old world but love contemporary design, Sicily's **Zash Country Boutique Hotel** offers contrasting elements that will charm any traveller. Located in the Catania province, the property maintains the original stone shell exterior, but introduces clean, minimalist lines, making for a breath-taking just a position. Sleek, rugged and deluxe, the hotel is set against the gorgeous backdrop of blue seas, lava, and rich Sicilian land.
